

TECHNOLOGY COMPETITION

DON'T MISS THE OPPORTUNITY TO JOIN THE 2BFUNTEX CONTEST

In 2015, the 2BFUNTEX consortium organises a free **technology competition**. If you have a new technology in the field of functional textiles that you wish to transfer to industry, you are invited to **upload your technology** on the 2BFUNTEX Open Innovation Platform www.2BFUNTEX.eu **before 30th September 2015**.

The 2 most promising technologies will be selected, and the winners will be given the opportunity to give a presentation at the **2BFUNTEX Final Conference** on Saturday 14th November 2015 at ITMA 2015.

Furthermore, the 2 winners will receive a **contribution to cover their travel expenses up to max 500€**.

The selection committee will assess projects against three criteria :

- the innovation assessment of the new technology
- the time to market of the innovation
- the potential impact of the technology on the textile sector

2BFUNTEX Final conference
on Technology Transfer of Functional Textile Innovations
Saturday 14 November 2015
At ITMA 2015, Milan, Italy
Speakers' Platform, Exhibition Hall 8

Successful cases of effective technology transfer on functional textiles between research & industry will be presented with special focus on :

- Antimicrobial textiles
- Smart Textiles
- Nanotechnologies
- Flame retardancy
- Biotechnology
- Electrospinning
- Plasma
- Sustainable textiles
- Other functional textiles for technical applications

A project co-funded by the
European Commission within the
7th Framework Programme
